

CURRICULUM VITAE

Rita K SEETHALER

Position

Director, The Urban Transport Institute
Director, Green and Gold Tree Farms
Taggerty, Victoria, Australia.

Business Address

PO Box 363
Alexandra
Victoria 3714 Australia
Phone(613) 5774 7617
Mobile: 0411 168 840
Email: rita.seethaler@tuti.com.au

Websites: www.tuti.com.au

www.greenNgold.com.au

Home Address

3367 Maroondah Highway,
Taggerty, Victoria, 3714, Australia

Personal Details

Birthdate: 2nd November 1961
Birthplace: Berne, Switzerland
Nationality: Australian/Swiss

Professional Qualifications

M. Ec. University of Berne, Switzerland, 1994.
Ph.D. Monash University, Melbourne, 2007.

Areas of Special Competence

Travel Survey Design
Travel Data Analysis
Transport Planning
Environmental Analysis
Environmental Externalities
Travel Behaviour Change

EMPLOYMENT EXPERIENCE

- 1998- Director,
The Urban Transport Institute Pty Ltd
Taggerty, Victoria, Australia
- 2005- Director,
Green & Gold Tree Farms
Taggerty, Victoria, Australia
- 2005-10 Director,
TreeSmart Australia Pty Ltd
Taggerty, Victoria, Australia
- 2009-10 Director,
TreePower Australia Pty Ltd
Taggerty, Victoria, Australia
- 2001- Research Associate
Institute of Transport Studies
Monash University, Melbourne, Australia
- 1999-2000 Research Fellow
Institute of Transport Studies
The University of Sydney, Australia
- 1991-99 Economist
Bureau for Transport Studies
General Secretariat of the Swiss Federal Department of Environment,
Transport, Communications and Energy, Berne, Switzerland
- 1986-91 Economist
Swiss Federal Office for Statistics, Transport Section
Berne, Switzerland

PROFESSIONAL ACTIVITIES

- Australian Life Cycle Assessment Society (2007-present)
- Australian Water Association (AWA) (2006-present)
- Australian Business Council for Sustainable Energy (BCSE) (2006-present)
- Farm Forestry for North East (FFORNE), Victoria Australia (2006-2009)
- Member of the Upper Goulburn Implementation Committee, Goulburn Broken Catchment Management Authority. (2006-08)
- Australian Geographic Society (2005-present)
- Waterkeepers Australia (membership as Acheron Riverkeepers) (2005-present)
- Victorian Planning & Environmental Law Association (VPELA) (2005-present)
- Australian Platypus Conservancy (2005-present)
- Waterwatch – Acheron River Community Monitoring Group (2004-present)
- Clean Air Society of Australia & New Zealand (CASANZ) (2001-present)
- Member of Board of Trustees, Green Cross Switzerland (1996-2000)
- Schweizerische Gesellschaft für Politikwissenschaften (Swiss Association for Political Science) (1994-present)

PROJECT EXPERIENCE (*current projects in bold italics*)

- 2011 Project Manager, Green Business Assessment Program, Murrindindi
- 2007- Chairperson of Murrindindi Climate Network Inc., Murrindindi Shire
- 2009-10 Consultant, "Development of an Environmental Strategy for the Shire of Murrindindi", Murrindindi Shire Council
- 2006-08 Member of the Upper Goulburn Implementation Committee of the Goulburn Broken Catchment Management Authority
- 2005-08 Chairperson of Acheron Valley Watch Inc., pro-environmental community group in Murrindindi Shire
- 2006 - Development and teaching of training seminars on Social Psychology and Pro-environmental Behaviour Change Policy Interventions to public and private sector (Victorian Department of Infrastructure, Victorian Department of Primary Industries, Victorian Department of Sustainability and the Environment, Golburn-Broken Catchment Management Authority, Upper Goulburn Landcare Network, diverse pro-environmental community groups)
- 2002- Lecturer of CIV5310 "Infrastructure Project and Policy Evaluation" as part of the Postgraduate Program in Infrastructure Engineering and Management via Off-campus Learning, Monash University, Department of Civil Engineering
- 2008 Project Management and implementation of a Community Survey on the Upper Goulburn and Mid Goulburn Broken Landscape Strategy on behalf of the Goulburn Broken Catchment Management Authority
- 2007 Project management of the Victorian Activity and Travel Survey in the rural Shire of Murrindindi
- 2007 Project management of the South East Queensland Retirement Travel Survey, Queensland
- 2007 Consultancy, for the Victorian Department of Infrastructure, Analysis of Walking and Cycling in Melbourne (based on VATS 1994-1999 data)
- 2004 Pro-bono management and conduct of Community Surveys in the townships of Taggerty and Buxton on behalf of the Murrindindi Shire, Victoria
- 2004 Consultancy, for the Victorian Department of Infrastructure and Monash Student Association, "Training Unit in Communication and Persuasion for University-based TravelSmart programs"
- 2003 Consultancy, for the Victorian Department of Infrastructure "Seasonality in Daily Travel Patterns"
- 2001 Consultancy, for Monash University, Department of Civil Engineering "Development of Distance Education Unit on Project and Policy Evaluation"
- 2001 Consultancy, (with ARRB Transport Research) for Australian Greenhouse Office "Evaluating Air Pollution Impacts of Greenhouse Gas Reduction Strategies"

PROJECT EXPERIENCE

- 2001 Pro-bono Consultancy, for the Warren Centre, University of Sydney "Demographic Change Implications for Road Safety in a Sustainable Transport System" for the Warren Centre project on Sustainable Transport for Sustainable Cities
- 2000 Consultancy, (with Steer Davies Gleave) for VicRoads, Melbourne "Travel Patterns of the Elderly "
- 2000 Sub-Consultancy, for Steer Davies Gleave "Survey Design for the ORTA Survey of Olympic Travel Intentions "
- 1997-2000 Initiation and management of the Three-Country Project (Austria, France, Switzerland) for evaluating the external traffic-related health costs of air pollution as part of the preparation for the WHO Conference of Ministers in London 1999.
- 1998-2000 Project management of preliminary study of the external costs of transport in the area of habitat fragmentation and bio-diversity.
- 1998-2000 Project management of preliminary study of the external costs transport in the area of noise (noise-related health effects, economic valuation of noise-related external costs)
- 1998 Participation in the interdepartmental working group of the opportunity assessment of the Swissmetro SA licensing application for the Lausanne-Geneva pilot section (magnetic high speed rail).
- 1997-99 Organisation of internal Bureau of Transport Studies preparatory work on the 2000 micro-census national household survey on Travel Behaviour in Switzerland.
- 1997-99 Member of the commission of experts of Swiss National Research Programme No. 41, Transport and the environment, in particular in the areas of transport surveys and travel behaviour, new forms of mobility, socio-economic effects of new transport infrastructures, policy measures for a sustainable development of transport.
- 1997-99 Continuing quality control of the 1994 household survey on travel behaviour in Switzerland.
- 1997 Research work as part of the fourth EU research programme on "Derivation of the relationship between land use, behaviour patterns and travel demand for political and investment decisions", SESAME. Preparation of the Swiss data on travel behaviour in the test cities of Berne and Zurich.
- 1997 Project management, follow-up client satisfaction survey for the 1994 micro-census national household survey on travel behaviour in Switzerland.
- 1996-2000 Member of the board of trustees of the Green Cross, Switzerland (incl. organisation and monitoring of Swiss-foreign co-operation, such as the bi-lateral project of Green Cross Burkina Faso and Green Cross Switzerland on the "practical guide for Earth Charter").
- 1996-98 Project management of work on the external traffic-related health costs of transport in Switzerland for 1993 in the areas of accidents and air pollution.

PROJECT EXPERIENCE

- 1996 Joint organisation and implementation of the international colloquium on “Measuring and coping with the external effects of transport” as part of the ninth Entretiens du Centre Jacques Cartier in Montreal, Quebec (30.9.-4.10 1996) in co-operation with Prof. Denis Bolduc (Laval University, Quebec) and Prof. Alain Bonnafus (Université Lumière, Lyon).
- 1993 Participation in the project for evaluating external accident, noise and building costs and the external benefits of transport in Switzerland for 1988.
- 1990-93 Swiss delegate (1990-1993) to COST (European co-operation in the sphere of scientific and technical research) Action 312: “Evaluation of the effects of the Channel Tunnel on traffic flow”.
- 1988-91 Member of the interdepartmental Commission for evaluating external costs of transport in Switzerland.
